

PRIVACY POLICY

E-booker.net's Privacy Policy (the "**Privacy Policy**") covers how the business e-booker.net and its affiliates and subsidiaries (collectively known as "**E-Booker**") collect, process and use personal data when users browse the e-booker.net website (the "**Website**"). The terms "us", "we", or "our" refer to the business E-Booker and any of its subsidiaries and affiliates (collectively "**E-Booker**"), the owners and operators of the Website. The term "you" refers to the user or viewer of the Website.

E-Booker continually strives to comply with all data protection requirements and proceed according to legal provisions for all data processing activities, such as collecting, processing and transmitting personal data. The following information will provide you with an overview of the type of data that E-Booker collects, saves and processes when using our Website.

By using our Website or providing Personal Information, you expressly and affirmatively consent to our use and disclosure of the information provided to us as described in this Privacy Policy.

GENERAL INFORMATION ABOUT PRIVACY

The term 'Personal Information' as used herein is defined as any information that identifies or can be used to identify, contact or locate the person to whom such information pertains.

Any Personal Information provided to us can be accessed or updated at any time by visiting the member profile page on our Website. You may also cancel your account by sending an email to info@e-booker.net . However, certain account information may be retained for analytical and record keeping purposes.

Providing Personal Information to us is voluntary. However, you will not be able to have full access to booking flights, accommodation, renting a car and other travel services ("Travel Services(s)") or making a reservation for such Travel Services ("Travel Reservation(s)") through our Website, without providing some Personal Information such as your name, contact and payment details.

WHAT DATA IS COLLECTED?

PERSONAL INFORMATION

We gather basic information including your name and your email address. If you choose to make a Travel Reservation through our Website, we will gather further information including your date of birth, home address, and the names of any individuals travelling with you, your payment information and any preferences you may have for your Travel Reservation, such as meal preferences.

If you are providing details of any individual travelling with you, it is your sole responsibility to ensure you obtain consent from that individual, prior to providing their information to us, and ensure they agree with our Privacy Policy.

Any services offered on our Website are not available to children under the age of 18, and any Personal Information will be prohibited from being collected unless it is combined with valid consent from a parent or guardian.

INTERNET CONNECTION INFORMATION

We may automatically collect information such as your IP address, the date and time of your Website visit, the retrieved data, language settings and the version of your browser, as well as any information that is submitted by default. We use this data to prevent errors as well as to improve our services.

WHY DATA IS COLLECTED?

The data collected may be used in various ways and for several purposes. Any Personal Information collected may be used for the following:

- **Travel Reservations and Account Facilities:** Your Personal Information, including but not limited to name, date of birth, cardholder name, credit card number and expiration date will be provided to complete your Travel Reservations.
- **Customer Services:** Your reservation and member profile details will be shared with our customer service staff to provide assistance with any queries or concerns regarding your Travel Reservation.
- **Member Profile Facilities:** By creating a member profile account on our Website, you will have access to special offers, be able to amend your current Travel Reservations and make future Travel Reservations.
- **Offers and Promotions:** We will use your contact information to send offers related to your applicable Travel Services and if you choose to participate in promotional activities, such as competitions, we may use the information to administer the promotions.
- **Further Communication:** Depending on the method of contact information you have provided us with, we may contact you to finalise your Travel Reservation, review a service used, and send you offers related to your Travel Reservation or other administrative messages related to your upcoming Travel Reservation.
- **E-mail Advertisements:** If you have agreed to receive our newsletter, your email address will be saved and used for personal email advertisements until you unsubscribe from the newsletter. Your consent is given through the confirmation email sent by us. Your registration for receiving the newsletter is complete when you confirm your subscription via the link in the email. You may unsubscribe at any time by sending an email to info@e-booker.com without incurring costs other than the transmission costs at the basic rates of your internet provider.
- **Improvement of Services:** We collect data to measure interest in and improve the services we offer to you.

SHARING DATA WITH THIRD PARTIES

You're Personal Information or other information collected may be shared with the following third parties:

- The companies which will supply the Travel Services, including hotel, airline, car rental, cruise and vacation packages providers, shall have access to your Personal Information in order to fulfil your Travel Reservation. Such companies are not controlled by us. Therefore, we suggest that you carefully read such companies' privacy policy before completing any reservations or bookings.

- Third-party vendors who provide customer support, market research, fraud detection and process credit card payments may access your Personal Information to perform their functions. Such third-party vendors are bound by the same data protection practices we are bound by.

We may also disclose your Personal Information if required to do so by subpoena or other legal process or if we believe that such action is necessary to (a) conform to the law or comply with legal process served on us; (b) investigate, prevent or take action regarding suspected or actual illegal activities or to assist government enforcement agencies; (c) to enforce the Privacy Policy and our Terms of Use, to investigate and defend our business against any third party claims or allegations, or to protect the security or integrity of our Website or Website users; (d) to exercise or protect our rights, property or personal safety, and the rights, property or personal safety of Website users, employees, or third parties; and/or (e) as required in connection with a corporate transaction in which we are involved.

Other than the third parties and situations mentioned above, you will be notified when your Personal Information will be shared with a third party and be provided with the option of not disclosing such Personal Information.

DATA AND SOCIAL MEDIA

The use of social media services may be incorporated into our Website in ways detailed below.

FACEBOOK

Our Website provides a link to the company Facebook Inc., 1601 S. California Ave., Palo Alto, CA 94304, USA ("Facebook") via a link (the "Like" button). When the Like button is clicked, an automatic connection is created through your browser to the Facebook servers, and Facebook receives the relevant information.

When you create a member profile using a social media account, such as Facebook, the information you agree to share with us may include basic information such as an email address, status updates and a list of your contacts. However, please note that you always have the option to refrain from sharing this information with Facebook or any social media account.

If you are logged in to your personal Facebook account or have saved cookies from Facebook in your browser while browsing our Website, Facebook may recognize your visit to our Website and may show our activities on your Facebook profile. You can prevent this by logging out of your Facebook account before you visit our Website and by deleting the Facebook cookies in your browser.

For more information about the use of other websites in connection to Facebook, please read Facebook's terms and conditions and privacy policy.

However, even though you may not have a user account on a social network (e.g. Facebook), are not logged in to the provider of the plug-in or have not clicked on the plug-in, it is still possible that the social network saves information like your IP address and other data such as a website's URL that you have visited.

GOOGLE

Our Website also provides a link to the company Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA ("Google") to Google+. Once you click the link, an automatic connection is created through your browser to the Google servers and Google receives the relevant information.

If you are logged in to Google+ or have saved cookies from Google in your browser while browsing our Website, Google can recognise your visit to our Website and possibly show your activities on your Google+ profile. You can prevent this from happening by logging out of Google+ before you visit our Website and by deleting the Google cookies in your browser.

For more information about the use of other websites in connection to Google and Google+, please read Google and Google+ terms and conditions and privacy policy.

COOKIES

We use "cookies" on the Website homepage to collect information about how our Website is being used. Cookies are small text files that are saved on the user's computer when visiting an internet site.

We use "session cookies", which, depending on your browser settings, will be deleted after closing your browser. We also use "trans-session cookies", which are used beyond the session, to make our services user-friendly, more effective and more secure. These files enable specific information to be tailored to suit your interests on the Website and thus our sole purpose is to offer our services to suit your needs and to create a comfortable browsing experience.

You may refuse the use of cookies by blocking their installation on your browser. How to block cookies is dependent upon the browser being used.

SECURITY

Your member profile account and the Personal Information held therein are password-protected such that only the member has access to such information. We strongly recommend that you do not give your password to any third party. We will never ask you for your password in unexpected or unsolicited emails. Remember to log out of your e-booker.net member account and close your browser window after you end your session.

All information you provide, whether Personal Information or otherwise, will be secured in accordance with industry standards and technology. When you enter sensitive information on our Website, such as credit card number information, we use encryption to transmit this information between your system and ours. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, while we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

If you have any questions about security on our Website, you can email us at info@e-booker.com.

RIGHT TO YOUR INFORMATION

You have the right to free information about your saved data, as well as the right for rectification, blocking or deletion of such data. You may object to the use, processing and transfer of your Personal Information at any time by sending a notification in the mail to info@e-booker.net or by sending an email to info@e-booker.com.

After receiving your objection, we will not use, process or transfer the applicable data for purposes other than to complete your request and discontinue advertising material being sent to you. However, this does not apply to data which is necessary for processing your request or for data that we are required to save due to statutory provisions.

MISCELLANEOUS

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this Privacy Policy, we will notify you by means of a notice on our Website, so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it. By continuing to use our Website after a notice of changes has been published on our Website, you are consenting to the changes.

Any provision or any part of this Privacy Policy shall be considered severable if any such provision or part is held, for any reason, to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction. The remaining provisions of this Privacy Policy shall continue to be given full force and effect without regard to the invalid or unenforceable provision.

The original version of this Privacy Policy is in English. However it may be translated into other languages for convenience and courtesy of non-English speaking people who visit our Website. In the event that there is an inconsistency or discrepancy between the English version and any other language version, the English version shall prevail to the extent of the inconsistency.

To the extent permitted by law, this Privacy Policy shall be governed by and construed in accordance with the Laws of Lebanon and any dispute arising out of this Privacy Policy shall be exclusively submitted to the competent courts in Lebanon.

Questions about this Privacy Policy can be directed to info@e-booker.com.
